

# SURVEYS, YOUR WAY.

## SMARTER. SHARPER.

MSQTO is the modular survey framework that finally does what you need.

Built by researchers.  
Made for professionals.

### FULLY CUSTOMISABLE

Adapted to your needs  
and those of your  
clients

### MODULAR & FLEXIBLE

Works with  
ready-to-use blocks you  
can flexibly combine

### AI-POWERED, PRIVACY-FIRST

Intelligent support with  
respect for privacy and  
cybersecurity

### SECURE & EU DEVELOPED

Built with security by  
design, developed in the  
EU

## MORE THAN A TOOL. A COMPLETE FRAMEWORK

Proven through multiple successful survey implementations across research and professional environments.

References and real-world use cases available upon request.

### LET'S CONNECT!

Contact: [info@msqto.be](mailto:info@msqto.be)

Schedule a moment to explore  
what MSQTO can do for you.

### ALREADY A CUSTOMER? GREAT!

Your personalised URL looks like this:

[msqto.be/your-organisation](https://msqto.be/your-organisation)

It will take you directly to your survey.  
Easy peasy, right!
